

HOW TO ENSURE YOUR PRINT HAS THAT 'WOW FACTOR'

(THAT HELPS YOU SELL YOUR ARTWORK)

1. Make Sure Your Art is Made by Artisans

It's not just in our name, it's in our nature. As soon as you complete your online order for custom printing services, our **expert print Artisans** get to work using one of our best-in-class digital printers. We create your one-of-a-kind photo or fine art image in full, stunning HD colour and detail.

Next, our Quality Assurance Department thoroughly reviews **every single print**. Once your print is approved for shipment, your order is carefully packaged to ensure your masterpiece arrives to your doorstep, anywhere in the U.S., in perfect condition.

2. Pick An Art Printing Partner

- ArtisanHD offers free consultation and easy online ordering
- Repeat your custom configuration using **Print Recipes** - your go-to favorites are stored and ready for simpler ordering
- Print in high volume and save up to 25%

3. Save with Rewards

We truly honor our customers and reward your ongoing use of our platform with a very generous rewards program! As a registered user, you will automatically receive **10% Loyalty Rewards** on every dollar that you spend with us!

4. Stand Out

Our wide variety of materials and finishes are geared toward professional artists and photographers. Bring your masterpieces to life by printing on HD photographic paper, metal, direct to acrylic, canvas, vinyl and more.

Select from several hanging options while ordering, such as museum back or standoffs. All prints arrive ready to display with installation hardware included.

5. Think Big

We don't limit your creativity to preset print sizes. For example, we can print up to 8 feet by 4 feet in ChromaLuxe® and 10 feet by 100 feet in canvas! Custom cutouts and shapes also available.

6. Free Shipping Over \$100*

*Free standard shipping on orders over \$100, including prints of most sizes. Orders under \$100 ship for a flat \$15 fee. That means you can easily plan your costs.

7. Product Sales

Numerous sitewide and product-specific sales throughout the year - like our annual year-end sale. Stock up for spring art shows now and save!

Pro Tip: Top 5 Products for Artists

1

FujiFlex Acrylic Face Mounted

Also with plexiglass acrylic face mounting, you can choose our top selling HD photo paper for an extremely high-gloss finish, which adds depth and richness to make your image look almost 3D.

2

Kodak Metallic Acrylic Face Mounted

With our plexiglass acrylic face mounting, you can choose one of three HD photo papers. Kodak metallic offers a glossy finish and pearlescent, metallic appearance.

3

Dibond Brushed Metal

A brilliant alternative to traditional printing, the brushed aluminum finish of Dibond® brings an incredibly unique metallic texture to your art with unsurpassed durability.

4

Canvas - An Art Show Favorite

Our thick, textured canvas prints are a great choice for images of any size or content. Our latex-based ink resists fading for a canvas that can last 100+ years with proper care.

5

For Photographers: ChromaLuxe

The archival qualities, image brilliance and durability set ChromaLuxe® white metal prints apart from all other print mediums. Scratch, fade, fire, and water resistant.
